AVer Classroom Technology Solutions

AVerVision **F17-8M**
Fluid. Bright. Efficient.

F17-8M adds a new layer of interactivity and collaboration in the classroom. Combine the 8 MP, 30 fps, 27.2x digital zoom camera with AVer's brilliant interactive software and you've got the whole world in your hands!

Watch Video

AVerVision **F70W**
Future-ready. Versatile. Portable.

2.4 GHZ / 5 GHZ

USB / HDMI
Onboard Battery

F70W's 12x zoom, 1080p HD visualiser has wired and wireless capabilities with powerful ability to connect to both 2.4 GHz and 5 GHz Wi-Fi bands. Its 8-hour onboard battery makes it the easiest visualiser to move and use from anywhere in the classroom!

AVerVision **F50-8M**
60 fps. Super smooth motion.

Images look incredibly alive from near or far with F50-8M's amazing 8 MP, 10x Optical and 20x Digital Zoom camera. It's the first and only visualiser to provide full HD motion in 60 fps through HDMI connectivity!

AVerVision **M70HD**
Experiential. Remarkable. Engaging.

Optimized for performance, the M70HD's robust mechanical arm can provide the most precise angle to give you the best image quality. Add 5 MP, 12x Optical /16x Digital Zoom, 30 fps live video, onboard annotations in full HD and you've got a device that can zero in on all the microscopic details.

WHY AVER CHARGING SOLUTIONS?

We understand how managing classroom devices can be challenging and time consuming, especially if you're teaching a large class. Tangled cables, managing various devices, and limited classroom space can be a teacher's worst nightmare. We totally get it. The great news is that we've prioritized to address those concerns in our charging solutions. Understanding the challenges teachers may face with day-to-day device care, we've developed versatile designs and key features to meet every teachers' needs. Our charging cart solutions are easy to use, affordable, AND efficient.

AVerVision **U70+**
Simple. Powerful. Crisp.

U70+ combines simplicity and low cost in a feature-rich USB visualiser. Get the greatest graphics performance with U70+'s 13 MP, 4K camera, and seamless livestreaming at 60 fps at 1080p resolution and 30 fps at 4K.

Watch Video

AVerVision **U50**
Effortless. Effective. Essential.

The U50 is a clean design that adds clear, live vivid images to your interactive lessons. USB powered with 5 MP, U50 displays smooth 30 fps video in full HD while including all the essentials at a great price.
